As you prepare to log in and use the new system, we'd like to remind you about our [Treasury Management Resource Center](#) which includes several tools you will find useful. Tools include, but are not limited to:

- [Interactive Online Banking User Guide](#) – Click on a topic of interest on the Table of Contents, and you will be directed to that section in the user guide for step-by-step instructions.
- [Schedule Company Training](#) – Schedule time for a one-on-one appointment with Treasury Management Support to help you through your first transaction on the new online banking system.¹
- [InBusiness Online Banking Webinar](#) – Watch a detailed demonstration on how to perform day-to-day online banking tasks.
- [Frequently Asked Questions](#) – Find answers to some of the most common questions regarding the new system.

¹ We recommend scheduling one or two business days prior to the effective date of your first transaction. Please note the go-live date and schedule accordingly if your business has payroll due on May 1, 2019.

REMINDER: the current InBusiness Online Banking system will be unavailable beginning Friday, April 26, at 5:00 p.m. CT and will become available in inquiry only mode beginning at 6:00 p.m. CT on Friday, April 26.
